Tasting : Fine bright ruby colour. The nose is delicate, lightly smoky, hints of wild strawberries and blackcurrant. The mouth is round and expressive on black fruits with silky tannins. Fresh and silky final.

Serving temperature : 18°C

Gastronomic match : grilled beef, roasted lamb, « charcuterie », goat cheese.

*Just a reminder : Let us imagine, friends sitting around a wide table, dry sausage from Arles, some nice grilled entrecotes, and Pélardon. Let us imagine, two of us, in a fine little restaurant, the beef is soft and tasty, we are enjoying the Cocardier and are ordering some cheese to empty the bottle.*
